Please check term dates (including 2024-2025 term dates) on the [school website](#) before booking any holidays.

VIPs

We have welcomed some very important pets to Wrens Class over the last few weeks to support the children's learning about animals. Children have learnt about different types of animals, where they live and how to care for them. Thank you to all of the parents and family members who brought animals into school for the children to see.

MENTAL HEALTH AWARENESS WEEK

Lots of activities took place to mark Mental Health Awareness Week last week. Lunchtime Learning Zone activities were particularly popular as children engaged in activities with pupils in other year groups. We participated in a live assembly during the afternoon with schools from around the UK and learnt about the positive impact movement can have on our mental health.

ATTENDANCE
