MOVEMENT IN MARCH

We are storming ahead with our target to run 1000km in March!
We are now focussing on running as far as we can for the rest of the month. It's been wonderful to see so many families join us on Mondays in March after school and with two Mondays in March left, families are encouraged to run a few more laps. You can record your results [on the school website](#). A special mention for families in Robins who are definitely making sure their class is well represented each week!

ANNIVERSARY CELEBRATIONS

A reminder that we will be marking the 15th anniversary of Tatsfield School moving to Ship Hill after the Easter holidays. We are creating a school song and children and families can [use this link](#) to share ideas. You could mention our school values, our school motto, name activities you take part in at school or describe what Tatsfield means to you.

SUBSCRIBE TO OUR SCHOOL CALENDAR

Life is busy, there is so much to remember. Although we share school events and dates with parents in newsletters, Sneak Peeks and Tapestry, did you know that you can subscribe to our school calendar which means events will go straight into your diary on your devices? Go to the 'News & Events' tab on the school website and select '[Calendar of Events](#)'. Click the subscribe button and follow the instructions for the device you use.

YOUR DONATIONS WILL CHANGE LIVES

Use this slider to see the difference your donation could make today. Make an impact in the UK and around the world.

A donation of £20 could help pay for:

RED NOSE DAY

We spoke about supporting our local, national and international community in assembly today by supporting Comic Relief, Red Nose Day. We looked at projects being run in Manchester and Zambia and how even a small donation can make a difference. We also shared some of our favourite jokes - look out for some Tatsfield Comedy in our next newsletter!

ONLINE SAFETY

All pupils in every year group will be given new school usernames and passwords over the next couple of weeks. Although children learn about online safety as part of the Computing and PSHE curriculum, please do talk to your child about the importance of keeping usernames and passwords confidential. Mrs Ford will be leading an Online Safety workshop for parents on 3rd April and we hope many of you will be able to join to hear about the latest developments and information for parents to be aware of when their children are using the internet and devices.
