

# Club4 Parent Guide

## Dear Parent/carer

Club4 provides a wide variety of activity camps to ensure children and young people have the opportunity to enjoy an extensive range of enriching and physical activities, an increased awareness of a healthy lifestyle and a nutritious meal each day. To find out more visit our [website](#).

The Holiday Activity and Food Programme is coordinated by Active Surrey on behalf of Surrey County Council (SCC). This Department for Education programme offers fully-funded places for children and young people inclusively from Reception to Year 11 who are eligible for benefits related free school meals.

Holiday activity vouchers will be issued via email to all parents/carers on the morning of Tuesday 12 November to ensure fair access across the County. To check out what's on offer and to book your activities, simply click on the voucher link. Each voucher will allow your child to access a maximum of 4 credits, equal to 4 days of holiday activities. Please book early to avoid disappointment as spaces are limited.

» Club4 holiday camps run during the main school holidays (Christmas, Easter and summer). It is a separate offer to SCC's supermarket voucher. Families can use both schemes.

» Get ready for an unforgettable winter in Surrey with our exciting activity camps! Whether your child is a budding actor, a sports enthusiast, or just looking for a fun day out, we have something for everyone. Our performing arts camp will let their creativity shine on stage, while our multi-sports camp offers a chance to try everything from football to gymnastics. For those seeking adventure, our youth days out are packed with thrilling activities and new experiences. Back by popular demand, we have two family pantomime events to enjoy over Christmas and New Year. Plus, our SEN stay and play sessions provide a supportive and inclusive environment for children with additional needs and disabilities to enjoy and explore. Join us for a winter full of fun, learning, and new friendships!

» When selecting a holiday camp for your child, consider what suits them best. Do they thrive on new and exciting experiences, or do they prefer familiar activities? If you're booking for multiple days, think about whether they'd enjoy building a rapport with one set of coaches in a single location, or if they'd prefer the variety of different settings.

Funded by

We have noticed a significant number of children and young people not attending their pre-booked Holiday Activities sessions.

Unfortunately, there's a misconception that since these spaces are free for eligible families, it doesn't matter if a child misses their booking.

However, when a child doesn't show up, it prevents other eligible children from enjoying the holiday club and receiving a meal.

It also puts the continuation of this valued Holiday Activities opportunity at risk if funded spaces are wasted on non-attendance.

Please ensure you only book sessions your child can attend. We understand that plans can change and unforeseen circumstances may arise. If your child can no longer attend a session, please cancel their booking as early as possible.
